

Thicky Thick Girl (feat. Murphy Lee & Ali)

Nelly

See now you could be a lady or a bitch girl
Still, your thicky thicky thicky thick
Looking like a lolli-pop waitin' for the lick girl
Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
Could it be a crime that I'm waitin' to commit girl?
Your thicky thicky thicky thick So basically I'm a joke right?
Look me in the eyes and tell me if you don't lie
When are you that shoes untied before you know it method
First step we getting naked, pants gone in 20 seconds
It's getting hectic
Wreck it just like a hoopty with insurance
But it seems I'm behind schedule with broad troubles
Twistin' and pulling
I'm like shorty help me (come on)
Help me (please) don't blow my high, cause I'm too horny
She giggles and gives a horny smile,
So I take advantage
Kissin' in gentle places trying to get myself established
I'm comfortable, want to be in that moe
With no control
Concentrating on my every lick, her every blow
Yep, I'm still blowed, but cooler than two below
And how I got that rubber on, her ass'll never know
It's on, put my penis in accurate, just relax a bit
Now it's my time to party like the lunatics at an after-set
See now you could be a lady or a bitch girl
Still, your thicky thicky thicky thick
Looking like a lolli-pop waitin' for the lick girl
Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
Could it be a crime that I'm waitin' to commit girl?
Your thicky thicky thicky thick Now I comes first like the front porch, in a Polo Sport shirt
Skirts, there they are, got to flirt cause I'm far
From Average Lane with that "What's your name?" game
I'm stormin' on your brain like a surgeon in the rain
Take the fame if you can, watch me wrap like Saran
All up in these sheets, now you on me like a tan

Leavin' me like a van in reverse, that's the worse
Playa curse put up on me now
We spreadin' on my homies like a germ
Watch me turn into captain kill a ho
Fill a ho strong
Watch me last long like a penny broke many motels
I got a rich coupon
I'm doing dismounts on futons
Comin' out like Keyuan
I'm ill like ceramic in a hammock, godamn it
That's my words, ooh's and aah's slurred like a verb
Showin' action like an ass like a metaphor
Now I'm headed for the highways
'75 sideways See now you could be a lady or a bitch girl
Still, your thicky thicky thicky thick
Looking like a lolli-pop waitin' for the lick girl
Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
Could it be a crime that I'm waitin' to commit girl?
Your thicky thicky thicky thick I spit mo' shit off into they ears than dial tones and telephones
Just to get their ass back home
Come watch the Bed-rock like Flintstones
But son too strong, so I smoke a sack as fat as Santa (y'know)
Drive me nuts like Planters, hawkin' a nigga like hoop for Atlanta (swish)
I ban ya from the smoke house, trick, who you think you fuckin with?
Trying to play me like Jim Carrey and pull some dumber and dumber shit
Stomp me like a step show (grab hold) then I let go
(Flows) split that ass like g-strings up on these rat hoes
I pose as a threat, hit any one of you niggas rat
Spit some game and get a bird, come watch us tag team like free bird
Say the word, I be at rest with all my partners
Straight loungin with a pocket full of rubbers and have it bouncin'
Go make the announcement, spark more Dynamite than "Good Times"
Want both girls like prime time, want real highs and thick thighs
Take pride in my stabbin', headboards you be grabbin'
Got 'em bangin the walls so hard the neighbors callin' Asking you "What happened? What's goin on over there
even?
Sounds like you guys are goin craaaaaazzyy" Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
Could it be a crime that I'm waiting to commit girl?
Your thicky thicky thicky thick See now you could be a lady or a bitch girl
Still, your thicky thicky thicky thick
Looking like a lolli-pop waitin' for the lick girl

Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
Could it be a crime that I'm waitin' to commit girl?
Your thicky thicky thicky thick See now you could be a lady or a bitch girl
Still, your thicky thicky thicky thick
Looking like a lolli-pop waitin' for the lick girl
Your thicky thicky thicky thick
Remind me of my 6-4 waitin' hit the switch girl
Your thicky thicky thicky thick
