Listen

Omarion

Listen to the song here in my heart
A melody I start but can't complete
Listen to the sound from deep within
It's only beginning to find release
Oh the time has come for my dreams to be heard
They will not be pushed aside and turned
Into your own, all 'cause you won't listen
[Chorus]Listen
I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried
To say what's on my mind
You should have known oh
Now I'm done believing you
You don't know what I'm feeling

I'm more than what
You've made of me
I followed the voice, you gave to me
But now I've gotta find my own
You should have listened
I don't know where I belong
But I'll be moving on
If you don't, if you won't
Listen to the song here in my heart
A melody I start, but I will complete
OH now I am done believing you
You don't know not what I am feeling
I'm more than what you've made of me
I followed the voice you think you gave to me
But now I got to find my own
My Own
