## Silhouettes In Disguise

## **Kansas**

Silhouettes debate

Then they test their fate

Pride is on the line the signs are dangerous

Hands too number to feel wrapped around the wheel

Tonight they face the fact some are never coming backSilhouettes in Disguise leather hearts lawless eyes

Dancing shadows over rock and under fire

Some will cry "table's turned."

Some will die but none will learn

Silhouettes in Disguise crash and burnThey pick the time and place then they fall from grace

They're riding on a rail trying to chase the dragon

Engines never cool trade their sins for fuel

That's what they're running on

When they're blown to kingdom comeSilhouettes in Disguise leather hearts lawless eyes

Dancing shadows over rock and under fire

Some will cry "table's turned."

Some will die but none will learn

Silhouettes in Disguise crash and burnSilhouettes in danger on the wrong side of the tracks

Eye to eye

Eye to eye

Rising up in anger

Disguising their attacks

On the edges of the worldSilhouettes in Disguise leather hearts lawless eyes

Dancing shadows over rock and under fire

Some will cry "table's turned."

Some will die but none will learn

Silhouettes in Disguise crash and burn
