Desire

Toad The Wet Sprocket

I want to be clean, i want to be whole
I want revenge, i want control
I want to give up, i want to give in
Destroy all i have been
I want to be cruel, i want to be cold
I want a chance to sell my soul
I want to break out, i want to dive in
To lose myself in sin
I don't need anything
I'm just wanting
Just wanting
Desire all desire is
Desire feeds desire
Desire all desire is
Desire breeds desire
I want to scream, i want to shout
I want to have faith and never doubt
I want to bend, i want to break
To sleep and never wake
To break down walls and to escape
Be alone and hide my face
I want to feel, i want to touch
Want to stop wanting it so much
I don't need anything
I'm just wanting
Just wanting
Desire all desire is
Desire feeds desire
Desire all desire is
Desire breeds desire
