

Love Struck Baby

Stevie Ray Vaughan and Double Trouble

Well, Im love struck baby, I must confess
Life without you darlin is a solid mess
Thinkin bout you baby give me such a thrill
I gotta have you baby, cant get my fill
I love ya baby an I know just what to do I still remember and let it be said
The way you make me feel, it take a fool to forget
I swore a ton of bricks had hit me in the head
And what you do little baby, I aint over yet Every time I see ya make me feel so fine
My heart beatin crazy, my blood runnin wild
Your lovin makes me feel like a mighty mighty man
Love me baby, aint I your man? Im a love struck baby
Yeah, Im a love struck baby
You got me love struck baby
And I know just what to do Sparks start flyin every time we meet
Let me tell you baby, you knock me off my feet
Your kisses trip me up and theyre just doggone sweet
Dont you know baby you cant be beat Im a love struck baby
Yeah, Im a love struck baby
You got me love struck baby
And I know just what to do
