

# As Good as It Gets

## Duke Special

I wonder how we're supposed to be together,  
I wonder how we're supposed to do this living,  
But I don't mind, if you don't know

Maybe we could just pretend and paper over I wonder if love will always be this painful

I wonder if we're the only ones who struggle  
But I don't mind, if you don't know

Maybe we could just pretend and paper over Maybe this is as good as it gets sometimes

Maybe I'm just waiting for my life to start  
Maybe this is as good as it gets sometimes

Maybe I'm just waiting for my life to start But I don't mind, if you don't know

Maybe we could just pretend and paper over
