What - what strange land is this?  
What am I doing here? How did this happen?  
Why am I asking YOU?  
I'm beginning to suspect foul play!

I ate at night, when I am sleeping  
You slimy mo-fos come out creeping  
Sucking me into your world of horror  
- Can this be the world of tomorrow?

Wait a minute! Just a second! I know who you are!  
Yes, it's true! You're the Citizens Of The Neighborhood!  
What the hell is it that you're trying to do to me?  
You're making me brain damaged  
All these people hanging around my head  
It's the Island Of Living Puke, you asshole  
It's the Island Of Living Puke, you asshole

Perhaps I just need a slight cranial adjustment  
Like the dentist pulling my gums inside out  
And pulling my brain out through my gum cavity  
As my head implodes and is yanked out by some  
Damn yankee barber!

Perhaps I'm a beauty queen  
The target of a thousand flying jackasses  
Braying in mocking defiance of their  
Stultified, stupefied defecation on my peekini

Perhaps I've already won ten million dollars  
With the mo-fo geeks chasing me through the woods  
Trying to rip out my britches and use me for a human weenie roast  
In front of the campfire girls' glee club

Perhaps nothing is what I think it is

Maybe you're all just a bunch of NICE GUYS  
And you aren't really trying to suck every last cent  
Out of my pocket and give me  
Absolutely nothing in return!
