Dark Daze

Sylar

Wake up, wake up
Today is another day
That feels like yesterday
And I'm starting to wonder when
These days will change
I want to smile again
Yeah, yeah
These thoughts will fade
I want to run away
Run awayI'm feeling the pressure
And it gets hard to breathe
When they all count on me
No pain means no pleasure
It's only pushing me to take this far
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if I get lostMy days feel like a movie with no happy endings
To all those spectating, just skip to the credits
I'm ready
This is the reason I'm crawling
This is the reason I'm falling
This is the reason why I can't take it
I'm running
I tried to get away from here
What will it take to leave this place?
I think I know what's going on here
I'm just a prisoner of my own headI'm feeling the pressure
And it gets hard to breathe
When they all count on me
No pain means no pleasure
It's only pushing me to take this farDon't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down

Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if I get lostI feel it in my bones
Nothing's really changed
The effort, the passion, the overreacting
Can't you see that I'm hanging on?
Can't you see that I'm hanging on?
I feel it in my bones
Nothing's really changed
The effort, the passion, the overreacting
Can't you see that I'm hanging on?
Can't you see that I'm hanging on?Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
If I'm too high don't let me come down
Don't wake me if I'm dreaming
If you do it's not enough
Still I don't trust the feeling
Going "too far" even if I get lost
