

# Hey Love

[Alyssa Bernal](#)

Hey love,  
Don't look so down  
I'm sure in time you'll find  
what you've been longing for  
Hey love,  
What's with the long faces?  
I know you're probably feeling jaded,  
Like love is fading away. Don't think for a second that you have anything to do with this So keep your eyes off  
the hands of the clock  
Don't be so quick to fall in love, no no  
Cause girl you're one of a kind no worries  
Don't you worry, cause your dreams will soon be reality, yeah Hey you,  
I know it's been quite rough but your luck  
Will eventually change.  
And you will love again.  
Oh darling,  
Don't let it get you down  
cause somewhere around  
Your true love will come around, oh yeah Don't think for a second that you have anything to do with this So keep  
your eyes off the hands of the clock  
Don't be so quick to fall in love, no no  
Cause girl you're one of a kind no worries  
Don't you worry on me, cause your dreams will soon be reality, yeah Yeah... So keep your eyes off the hands of  
the clock  
Don't be so quick to fall in love, no no  
Cause girl you're one of a kind no worries  
Don't you worry, cause your dreams will soon be reality, yeah Cause girl you're one of a kind no worries  
Don't you worry on me, cause your dreams will soon be reality, yeah
