Hypocrisy

Sworn In

This is hypocrisy
Practice what you preach
Practice what you preachThis is hypocrisy
Practice what you preach
Practice what you preachFuck you
You're meaningless to me
You're everything
You told me never to beSick and twisted, fucked up and ruthless
Deranged at worst and at very best uselessSave it for hell's gate
Save it for the fucking treason parade
Save it for hell's gate
Save it for the fucking treason parade
I watched my world burn
I watched my world burn
I watched my world burn
I watched my world burn
I watched my world burn
As you watched with a grin
From the point of no return
Once again, yeah, once again
This sympathy symphony never seems to endNo trust, no, there's no fucking trust
All I've learned is fucked I'll never adjust
Nothing you'll ever do will make this just
Disgust, disgust, disgustKeep burning, ashes to dust
There never was any trust
Laid to rest, dead in the mind
Completely blind, completely blind
Fuel the fire, burn to the ground
And don't you even dare try to fucking turn this around
'cause nothing's left but this silent grin
You will never winI watched my world burn
As you watched with a grin
From the point of no return
Once again, yeah, once again
This sympathy symphony never seems to endNot like you said
You were not just friends
So take your necklace off and put a fucking noose in its place
UUUUUUUUUUUUUUAAAAAAAAAAHHHHHH!!!
Fuck!

So sing along with me You'll burn in hell with no sympathy
This is hyprocrisy
Practice what you fucking preach
Practice what you preach
Nothing but a useless leech
Sucking the world dry with everything you teach
