Don't stop moving

The Outhere Brothers

Don't stop movin' to the funky funky beat
(Don't stop movin' to the funky funky beat)
Yeah, ah c'mon
Don't stop movin' to the funky funky beat)
Oh
Don't stop movin' to the S Club beat
DJ got the party started there's no end in sight
Everybody's moving to the rhythm that's inside
It's a crazy world but tonight's the right situation
Don't get left behind
I can feel the music movin' through me everywhere
Ain't no destination baby, we don't even care
There's a place to be if you need the right education
Let it take you there
And just go with the magic baby
I can see it there in your eyes
(I can see it there in your eyes, yeah)
Let it flow, stop the waiting right here
On the dance floor is where you gotta let it go
Don't stop movin', can you feel the music?
DJ's got us goin' around, round
Don't stop movin', find your own way to it
Listen to the music taking you to places
That you've never been before Baby now
(Don't stop movin' to the funky funky beat)
Oh woah
(Don't stop movin' to the funky funky beat)
Yeah, yeah, yeah
You can touch the moment almost feel it in the air
(Ooh)
Don't know where we're going baby, we don't even care
Ain't no mystery, just use your imagination, let it take you there
And just go with the magic baby
I can see it there in your eyes
(I can see it there in your eyes)
Let it flow, stop the waiting right here

On the dance floor is where you gotta let it go
Don't stop movin', can you feel the music

DJ's got us goin' around, round
(Don't stop movin')
Don't stop movin', find your own way to it
Listen to the music taking you to places
That you've never been before baby now
(Don't stop movin' to the funky funky beat)
Uh uh
(Don't stop movin' to the funky funky beat)
Yeah c'mon
(Don't stop movin' to the funky funky beat)
Don't stop movin'
(Don't stop movin' to the S Club beat)
Forget about your fears tonight
Listen to your heart, let's just touch the sky
(Listen to your heart)
No need to reason why
Just listen to the sound and it makes you come alive
Don't stop movin', can you feel the music?
(Woo)
DJ's got us goin' around round
(Don't stop movin')
Don't stop movin' find your own way to it
Listen to the music
(Yeah, yeah, yeah)
Don't stop movin', can you feel the music?
DJ's got us goin' around round
(Don't stop movin')
Don't stop movin', find your own way to it
Listen to the music taking you to places
That you've never been before, baby now
Don't stop movin' to the funky funky beat
Don't stop movin' to the funky funky beat
Don't stop movin' to the funky funky beat
Don't stop movin' to the S Club beat, beat, beat, beat
