I Don't Know I Don't Care

Toxic Lab Rats

I don't know why you don't like the type of girls I like
I don't know why you think I drink too much
I don't know why you're always there to criticize me
I don't know why
I don't fucking know why

I like strippers and whores
Strippers and whores
Strippers and whores
Strippers and whores
Strippers and whores

I don't care if you don't like the way I live my life
I don't care about your moral preach
Tour goddamn moral preach
I don't care about the fact that I'm gonna die young
I don't care
I don't fucking care

I drink whiskey and beer
Whiskey and beer
Whiskey and beer
Whiskey and beer
Whiskey and beer

I don't know why you don't like the type of girls I like
I don't know why you think I drink too much
I don't care about the fact that I'm gonna die young
I don't care
I don't fucking care

I like whiskey and beer
Strippers and whores
Whiskey and beer
Strippers and whores
