

Heavy Load

King King

Just a young man
By an old road
By the route he choseAn ancient song
In an old tongue
Now this man was sungOh, I carry in me a heavy load
Won't go no further down this roadBy a bright stream
Came an old dream
Things are never what they seams
And he went on
Travelling on
Now he's a long way from homeOh, I carry in me a heavy load
Won't go no further down this roadOh, I carry in me a heavy load
Won't go no further down this roadOh, I carry in me a heavy load
Won't go no further down this road
Yes I carry in me a heavy load
Won't go no further down this roadYes I carry in me a heavy load
Won't go no further down this road
