Go-Go-Girl

Lee Dorsey

Go-go, go-go girl, you drive me wild
Shake it, shake it, shake it, child
Eyes wide open but you see no oneI'm a be there
When the music comes
Oh, shake it, babyGo-go, go ahead
And work your show
Till you can't work no more
Go-go girl, you know
You're looking goodI see you wink your eye
Winking at every guy
Go-go girl, don't you realizeThat I'm waiting for you
Whenever you get through
Oh, ooh, babyOh, you blow my mind, babyGo-go, go-go girl, I like your style
Oh, shake it, mama
(Shake it, shake it, shake it, child)You're not just working
But you're having fun
Oh, but guess whatI'm a be here
When the morning comes
I'm a be right here
Till the morning comesGo-go, I see the
Beat is getting to you
You're feeling it
Through and through
Go-go girl, you know
You're knocking them outI'm waiting here patiently
Till you can be alone with me
And that's the way it's gonna be'Cause I'm waiting for you
Whenever you get through
Oh, ooh, babyOne, two, three
Baby, you're for meGo-go, oh
You're looking good too, mama
Shake it, shake it, shake it, childI'm a be right here
Till the morning comes
Ain't nobody getting up or down
