

Suitcases

Lily Elise

Yeah, yeah, yeah
Yeah, yeah, yeah

Yeah, yeah, yeah
Yeah, yeah, yeah

I know you're trying to run away
But how you getting on the plane â€” With all that weight (oh)

You don't want to talk to me
Ain't paying for the things you did
That ain't fair

Life gets too heavy
That don't mean you're weak
Baby take a seat
I'm here for you
Here for you

Just get out your weight
Let me love you babe
All I got is space
So come through
Come through

With your suitcases (oh)
Suitcases
With your suitcases (oh)
Suitcases

Baby tell me what you want
I don't know what you're waiting for
I can't read your mind

Babe, you keep on pushing me away
You left me with another bag to take
Ain't nobody's gonna want it babe

Life gets too heavy
That don't mean you're weak

Baby take a seat
I'm here for you
Oh, I'm here for you

Just get out your weight
Let me love you babe
All I got is space
So come through
Come through

With your suitcases (oh)
Suitcases
With your suitcases (yeah, yeah, yeah)
Suitcases

It ain't fair to carry all that weight
I could take it since I'm going your way
You ain't gotta carry all that weight
Give it to me 'cause I'm going your way

It ain't fair to carry all that weight
I could take it since I'm going your way
You ain't gotta carry all that weight
Give it to me 'cause I'm going your way

With your suitcases (yeah, yeah, yeah)
Suitcases
With your suitcases (yeah, yeah, yeah)
Suitcases
With your suitcases (yeah, yeah, yeah)
Suitcases
With your suitcases (yeah, yeah, yeah)
Suitcases

Oh, oh woah woah oh, oh ooh ooh oooooh
Oh, oh woah woah woaaaah
Oh, oh woah woah oh, oh ooh ooh oooooh
Oh, oh woah woah woaaaah
