

# Fashion Is Danger

## Flight Of The Conchords

Fashion, fashion, fashion  
Style, look  
I'm the edge, I'm the chic, I'm the taste  
I'm larger than life with just a hint of lace  
I'm the vanguard, I'm the air, I'm the vogue  
I'm the shi-shi, ooh oui-i, I'm the man a la mode  
President Reagan  
Thatcher, Thatcher  
Jazzercise, lip gloss  
Ooh, ooh, ooh  
You think you know fashion  
Well, fashion's a stranger  
You think fashion's your friend  
My friend, fashion is danger  
Posing, posing at the bar  
Posing, posing sitting down  
Posing, posing in the distance  
Posing, posing with my arm  
Posing, posing with my leg  
  
Posing, posing like a swan  
Posing, posing for a portrait  
Posing a threat  
Hey, hey, hey, hey  
Hey, yeah, ooh  
You think you know fashion  
Well, fashion's a stranger  
You think fashion's your friend  
My friend, fashion is danger  
Moscow, Berlin, Paris, London  
Tokyo, Wellington, Rome, Geneva  
New York City, New York City  
You think you know fashion  
Well, fashion's a stranger  
You think fashion's your friend  
My friend, fashion is danger  
Fashion, fashion  
Fashion, fashion
