

# Fall In Line

## Robert Skoro

If you're sitting down get on your feet  
Lets wake up those who are asleep  
March on, left to right to left again  
Our feet in sync to this rhythm

Conducted by the hand of the saving OneReport fall in line, big mission with little time

Salute, stand tall with one voice answer the call

Hear us say JesusWhere are we while the world caves in

Are we showing love or hate, are we enemy or friend

What was black and white has now turned grey

Lets right this wrong with love today

Stand our ground with a helping handReport fall in line, big mission with little time

Salute, stand tall with one voice answer the callHear us say Jesus

We got something to say, got something to say

Hear us say Jesus

Is alive and well, alive and well todayHalle Hallelujah

Halle HallelujahSo sing it out now, with one voice loud and clear

Sing Hallelujah, for our Redemptions nearSo sing it out now, with one voice loud and clear

Sing Hallelujah, for our Redemptions nearHear us say Jesus

Hear us say Jesus

Were not messing aroundIts time for us to stand up and speak the truth of His love

Its time to let the world know we've got something to say

We got something to say

Its time for us to lift our hands 'til the world understands

Jesus the reigning King is alive and well alive and well today

Jesus the reigning King is alive and well alive and well todaySo sing it out now, with one voice loud and clear

Sing Hallelujah, for our Redemptions nearSo sing it out now, with one voice loud and clear

Sing Hallelujah, for our Redemptions near
