# Female Intuition

## Jordyn Taylor

Oh, oh, oh, oh
Oh, oh, oh, ohTell me who, tell me when
Tell me where, tell me whyTell me who, tell me who
Tell me who, tell me who
Tell me whyMy intuitionSittin' down with my girls
Tryin' figure out what I'm gonna do
Never though I'd see the day
When the question mark was hanging over youAnd it ain't nothing that somebody said
There's no where or when, no when, no where
But I've already caught in my head
Time and time again, yeah 'causeSomething's going on, can't put my finger on it
Something's going on, don't wanna linger on it
Tell yourself you're wrong but the feeling's so strongCall it female intuition
I can feel your competition
When we're kissin' something's missin'
Call it female intuitionMonday night you're lookin' slick
Well, who's it for if it ain't for me?
Well, who's it for if it ain't for me?
Called you up on Tuesday and you say
You're busy tryin' tocook and clean
What you mean?And lately you've been switching up your phone from loud to vibrate
Is that why you've been missing all my calls
Did you plan it that way, that way? 'CauseSomething's going on, can't put my finger on it
Something's going on, don't wanna linger on it
Tell yourself you're wrong but the feeling's so strongCall it female intuition
I can feel your competition
When we're kissin' something's missin'
Call it female intuitionTryin' to catch you is like an occupation
You say that it's all in my imagination
Sometimes it's shadows that I'm chasin'
But I can't erase this voice I hear inside, babySomething's going on, can't put my finger on it
Something's going on, don't wanna linger on it
Tell yourself you're wrong but the feeling's so strongCall it female intuition
I can feel your competition
When we're kissin' something's missin'
Call it female intuitionTell me who, tell me when
Tell me where, tell me why
Tell me who, tell me when
Tell me where, tell me whyTell me who, tell me when

Tell me where, tell me whyTell me who, tell me who
Tell me who, tell me who
Tell me whyOh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
