

Forever You Will Be Mine

Cliff Richard

I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me Making me feel so light
Making me feel such powerful emotion
Making my heart so light
All the time Something in the air tonight
Something in the air with powerful emotion
Something in the air so right
Feels so right Ooo together in love
Ooo forever in love
Ooo together we are
Forever you will be mine Filling my life with love
Filling my life with powerful emotion
Filling my life with love
All the time I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me Yeah yeah yeah
Yeah yeah yeah
Mmm Ooo together in love
Ooo forever in love
Ooo together we are
Forever you will be mine
Together we are
Forever you will be mine I am not the only one
Who can see that you are beautiful
But I am the only one
Who can see you belong to me Something in the air tonight
Something in the air with powerful emotion
Something in the air so right
Feels so right Ooo together in love
Ooo forever in love
Ooo together we are
Forever you will be mine
