We've Got Something

Adaline

Maybe weâ€™ll come back someday,
To see how weâ€™ve grown.
Carve our names on everything;
Return when weâ€™re old.

My heartâ€™s smiling, 'cause I know,
Youâ€™ve got something and it shows.
Iâ€™ve got something.
Youâ€™ve got something.
Weâ€™ve got something.

Maybe all the lies will lead us on as we go.
Itâ€™s you for me,
You're everything;
The half to my whole.

My heartâ€™s smiling, 'cause I know,
Youâ€™ve got something and it shows.
Iâ€™ve got something.
Youâ€™ve got something.
Weâ€™ve got something.

Oooooh

My heartâ€™s smiling 'cause I know.
Youâ€™ve got something and it shows.
Iâ€™ve got something.
Youâ€™ve got something.
Weâ€™ve got something.

Oh, we have nothing here to show.
We have nothing but we know:

Iâ€™ve got something.
Youâ€™ve got something.
Weâ€™ve got something.

Oooooh

Iâ€™ve got something.

Youâ€™ve got something.
Weâ€™ve got something.
