

# I'll Begin Again

## Dropkick Murphys

My first day out it rained  
Eight years on a chain  
For a crime that wasn't mind, I did the time  
As the door swung shut behind me  
I was left so lonely  
No one remembered, no one was there  
To hear my please to hear my prayers I'll begin again  
I was headed here from the start  
I'll begin again  
I paid my price for my part Not a dollar to my name  
I suppose I can't complain  
My life again was mine  
And that's just fine  
As I knocked on my mother's door  
She didn't live there anymore  
A second mortgage to fund appeals that got no deal I'll begin again  
I was headed here from the start  
I'll begin again  
I paid my price for my part I'll begin again from the start! I'll begin again  
I was headed here from the start  
I'll begin again  
I paid my price for my part I'll begin again (I'll begin again)
