

Peace and Love

Cat Power

Advisory - the following lyrics contain explicit language:

Peace and love is a famous generation
I'm a lover but I'm in it to win
Peace and love is a famous generation
I'm a lover but I'm in it to win
Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
Na na na na na na na na na na
Everybody got shit to pay
A hundred-thousand hits on the internet
But that don't mean a shit
Even if you're legitimate
I want to feel honey now, like I got money now
But that don't mean a shit
Even if you're legitimate
I used to have scrounge money, on the ground money
Choosing back fat was choosing a race
They had a name for us, it was despicable
So disrespectful, we're like
the dirty chemical
We were so ejectable, mappable, we were just?
Oh you're a? now, a visual felon
99% y'all, it's in the wall y'all
Constitution's buying if you're?
Who's spending the blow?
Peace and love is a famous generation
I'm a lover but I'm in it to win
Peace and love is a famous generation
I'm a lover but I'm in it to win

Peace and love is a famous generation
I may be a lover, but I'm in it to win
Peace and love is a famous generation
I'm a lover but I'm in it to win
