

# Sunshine (Groove Armada Sunset Mix Dub)

## Handsome Boy Modeling School

"Everybody used to think of him as..  
well more like a bum, sort of, a musical bum..

than anything else"[singing]

Your love, is my sanity

Your love, brings me sunshine

I like what you do to me

I like what you give to me

I wander through this world

Needing you so much

I wander through this world

Dreaming of your touch[both]

If I could see you again..

If I could just see you again..Forget about your sorrows

Forget about your heartache

Life is nothing but a shadow

("Ooooh-weeee man!"}

Forget about your worries

Forget about the bad times

Life is nothing but a shadow..

("Ooooh-weeee man!"} ..without your sunshine[Father Guido Sarducci]

Everybody's been wondering where you been

And, now that we know what happened

We're all wondering where you are

And even though we feel bad we won't be seein you around anymore

We want you to know we feel better, we won't have to worry anymore[singing]

There's a new star, in the night sky

Could it be you, making me so high

Shine on, shine on, shine on, shine on

Shine on and on and on and on and on..[both]

If I could see you again..

If I could just see you again..Forget about your sorrows

Forget about your heartache

Life is nothing but a shadow

("Ooooh-weeee man!"}

Forget about your worries

Forget about the bad times

Life is nothing but a shadow..

("Ooooh-weeee man!"} ..without your sunshine[Father Guido Sarducci]

We know your only worry now is,

You worrying about us worrying about you  
And even though we stopped worrying,  
It doesn't we're not still sad  
And we're happy to let you know that, we always will be[Sean Lennon]  
I used to think time, was on my side  
I used to think the world, could be so kind  
That was another day..  
That was another time..[both]  
If I could see you again..  
If I could just see you again..Forget about your sorrows  
Forget about your heartache  
Life is nothing but a shadow  
("Ooooh-weeee man!"})  
Forget about your worries  
Forget about the bad times  
Life is nothing but a shadow..  
("Ooooh-weeee man!"}) ..without your sunshine
