

Got That Bomb

Toni Romiti

Are You Sure you Want Some?

Cause I Got That Shit That Make Niggas Go Dumb.

One Time Won't Be Enough, You Kiss Em' Once And My

Phone Start Blowing Up.

He Say Now I'm His Favorite Drug,

I'm Addictive Baby You Know I'm The Plug.

I Try To Warn You Now Your Stuck, I Try To Warn You Now, Your In Love.

Head Over Heels For Me, Said Your Like A Pill To Me.

Robbine Steele For Me, Said It Was More Than Just Sex To

Me, Your Better Than Next To See.

Just Wanna Be Next To Me

Cause I Got That Bomb, I Got That Bomb Bomb Bomb

I Got That Bomb I Got That Dope That Heroin

I Got That Bomb, I Got That Bomb Bomb Bomb

I Got That Bomb Boy Are You Sure You Want Some?

I Might Just Ruin Your Life (Cause I Got That Bomb)

I Don't Wanna Ruin Your Life (I Got That Bomb Bomb)

Might Just Ruin Your Life (I Got That Bomb)

I Might Just Ruin Your Life In One Night

Told His Friends I Don't Need Her

She's A Liar Don't Believe Her

Then Why Don't Delete Her? Lowkey He Does Need Her

He's Going Through Withdrawl, He's Bouncing Off The Walls

It's Taking Everything Inside Of Him Not To Call

Ring Ring Ring What It Is Right Now, I Need You To Come Here Right Now

I Need You To Come Put It Down On Me.

Then I Hung Up The Phone, Told Em' Leave Me Alone.

This Has Gone On Too Long , And I Won't Play Along.

Head Over Heels For Me, Said Your Like A Pill To Me.

Robbina Steele For Me, Said It Was More Than Just Sex To

Me, Your Better Then Next To See.

Just Wanna Be Next To Me.

Cause I Got That Bomb, I Got That Bomb Bomb Bomb

I Got That Bomb I Got That Dope That Heroin

I Got That Bomb , I Got That Bomb Bomb Bomb

I Got That Bomb, Boy Are You Sure You Want Some?

I Might Just Ruin Your Life (Cause I Got That Bomb)

I Don't Wanna Ruin Your Life (I Got That Bomb Bomb)

Might Just Ruin Your Life(I Got That Bomb)

I Might Just Ruin Your Life In One Night, Yeah

(Got That Bomb Aye) x2

I Got That Bomb Boy Are You Sure You Want Some?
