

DJ (Philip Byrne Mix)

H & Claire

Another friday night
And the weekend's just begun
Everyone is dressing up
'cause it's time to have some fun
Tonight live all your fantasies
Tonight play it on and on
Chorus
Dj show us what you got
Keep our bodies moving turn the music up
Dj don't you ever stop
You know what to play
To make this party rock tonight
Everyone's feeling good
Smiling faces everywhere
So if you're in the mood
Put your hands up in the air
Tonight live all your fantasies
Tonight play it on and on
Chorus (2x) Keep my body movin' turn the music up
Keep my body movin' turn the music up
Turn it up
Keep my body movin' turn the music up
Keep my body movin' turn the music up
Tonight live all your fantasies
Tonight play it on and on
On and on and on
Chorus (2x) Keep my body movin' turn the music up
Keep my body movin' turn the music up
Turn it up
Keep my body movin' turn the music up
Keep my body movin' turn the music up
