

# It's Too Late

**Gloria Estefan**

Stayed in bed all mornin' just to pass the time  
There's something wrong here, there can be no denyin'  
One of us is changin'  
Or maybe we've just stopped tryin' And it's too late baby, now it's too late  
Though we really did try to make it  
Somethin' inside has died  
And I can't hide and I just can't fake it  
No, no, no, no It used to be so easy living here with you  
You were light and breezy and  
I knew just what to do  
Now you look so unhappy and I feel like a fool And it's too late baby, now it's too late  
Though we really did try to make it  
Somethin' inside has died and I can't hide  
And I just can't fake it  
No, no, no There'll be good times again for me and you  
But we just can't stay together  
Don't you feel it too?  
Still I'm glad for what we had and how I once loved you And it's too late baby, now it's too late  
Though we really did try to make it  
Somethin' inside has died and I can't hide  
And I just can't fake it  
No, no Baby, it's too late now, darlin'  
It's too late  
Baby, it's too late
