

She Was Alone

The Jelly Jam

A written guaranty
No, don't need it. well, might need it yeah
A home in germany
No, don't need it. Well, might need it yeah
A perfect forgery
No, don't need it. well, might need it yeah
A colored history
No, don't need it. well, might need itWell I threw my flag in the wishing well
Paid my own way to show and tell
Climbed up high and I wish I'd fell
And I ended up in hellShe was alone
And I'd never thought about it if I had her on the phone
She was alone
I could cry out every day but it won't bring her home
She was alone
She was aloneNegative gravity
No, don't need it. well, might need it yeah
To surf in hawaii
No, don't need it. well, might need it yeah
A little sympathy
No, don't need it. well, might need it yeah
A lack of honesty
No, don't need it. well, might need it yeahWell I threw my flag in the wishing well
Paid my own way to show and tell
Climbed up high and I wish I'd fell
And I ended up in hellShe was alone
And I never thought about it when I had her on the phone
She was alone
I could cry out every day but it won't bring her home
She was alone
She was aloneShe was alone
she was aloneShe was alone
And I never knew about it when I had her on the phone
She was alone
I could cry out every day but it won't bring her home
She was alone
yeah, yeah, yeah, yeah, yeah.
She was alone
I could cry out, cry out yeah.
