

# Can You Feel It

## One Night Only

L B C, D E F G

I'm H I off J's bellin' in a T-shirt and blue jeans  
Well few dreams ever come true  
Well some do, so nigga say  
I'm from the beach too  
Long Beach City G's funkkin'  
And it's a pity how many we's punk and drunk  
In a hotel lobby at a town near you  
Housekeeper's high, and drinkin' beer too  
Cleared through the nite  
My niggaz movin' with the skirts  
In the boxes, house shoes, and slingshot t-shirts  
It's gettin' late, I'm runnin' out of gas  
So Warren G come and see what's up on some ass  
Really doe, y'all enjoyed the show, good  
But what you know about these Long Beach boys in the hood  
Should anything go wrong and niggaz act shitty  
Remember fool this is Long Beach city, punk  
Can you feel it?  
Can you feel it?  
Can you feel it?  
Can you feel it?

Well it was boring until Warren G came on the scene  
Put the G-Funk with the gangsta lean  
It's been about two, is he comin' through?  
I dropped this one just to show you I'm true  
People say Warren where'd you get that speech  
In the sandy city right down by the beach  
Speak, don't speak on, if you wanna speak on  
If you wanna get yo' groove on, L O C on  
To the fullest, bounce rock skate  
A new time, a new rhyme, legislate  
That's how we do it in the S I X  
L B C, two, one, three, and we straight shit at the next

So let's party hearty like Lodi Dodi  
We punkin' yo' city you betta ask somebody  
'Cuz if you don't, we ain't showin' no pity  
More bounce to the ounce and we rockin' yo' city

Can you feel it?  
Can you feel it?  
Can you feel it?  
Can you feel it?  
From city to city and state to state  
This DJ gonna regulate  
So playa hate if you want to, I don't give a fuck  
I'm still G-dubb and I'm subbin' in my truck so good luck  
And have a nice trip  
We got y'all town locked down like a vice grip  
I'm on the dice tip, shootin' C-notes  
A dollar and the bones hollerin' G-oats  
'Cuz we quotes, them gangsta raps  
That ya'll paid for, and we banks the snaps  
We perhaps, if you could see what I see  
Then you might be gettin' paid like this nigga Warren G  
So fee, fie, foe, I'm from  
The LB to the C nigga don't act dumb  
Outta site, outta mind, so where y'all gonna put us  
Warren G and the Twinz and my girls Five Footaz  
Can you feel it?  
Can you feel it?
