Round Midnight (feat. Andy Summers)

Sting

It begins to tell At sometime, round midnight I do pretty well 'til after sundown At supper time, I'm filled with you But I really miss you Round midnightMemories return At sometime, round midnight I have yet to learn To stop those mem'ries When my heart is still with you And old midnight Knows it too. Did it mean that our love would be ending? When some quarrel we've had need a mending Darling, I need you But lately I find You're out of my arms Out of my mind.Let our love take wing Some midnight, round midnight And let the angels sing That you're returning Let our love be safe and sound When old midnight Comes around.
