Japanese Dream

ayaka*

She works the nightshift
But she swears she only sees the sun
(sun)
Dreams of going back some day
But she still gets the job done
She sees his face in every corner of her mind
(mind)
Why did she have to fall so deep when she's left so far behind
And she sleeps like a baby in her Japanese Dream
(la la la la la la la)
And she flies like an angel in her Japanese Dream
(la la la la la la la, oooh yeah)
(la la la la la la la)
She writes him pages full of tear stained memories
It's so very hard for the girl when all she wants to do is
Get back to his arms
Oh do you miss me like I miss you?
And she pines like a baby for her Japanese Dream
(la la la la la la la)
And she waits patiently for her Japanese Dream
(la la la la la la la, oooh yeah)
Japanese Dream
(la la la la la la la)

If he asked her tomorrow she would drop everything and marry him
(oooh)
All she things about is his slender body on her skin
So waits her one way ticket to her Japanese Dream
(la la la la la la la, oooh yeah)
Japanese Dream
(la la la la la la la)
Her Japanese Dream
(la la la la la la la, oooh yeah)
(la la la la la la la)
She's gonna get him, gonna get there, gonna find him
If it's the last thing, oooh she's been missing him
Driving herself insane, count the miles on the map
She's gonna get him, gonna get there, gonna find him
If it's the last thing, oooh she's been missing him

Driving herself insane, count the miles on the map
It affects her everytime I say that he's got a hold on her
(la la la la la la la)
Japanese Dream
(repeat to fade)
