

# Thinking of You

[Paul Weller](#)

Everybody let me tell you about my love  
Brought to me by an angel from above  
Fully equipped with a lifetime guarantee  
Once you try it, well i'm sure that you'll agree[Without love] There's no reason to live  
[Without you] And what would I do with the love I give  
[All my lovin'] To you I'll be giving  
And I promise, as long as I'm living I'm thinking of you and the things you do to me  
That make me love you, now I'm living in ecstasy  
I'm thinking of you and the things you do to me  
That make me love you, now I'm living in ecstasy All the times you make me glad that I'm alive  
sharing Together, helping me survive  
What did you think brought the sun out today  
Well its you, let me hear you say[Without love] there's no reason to live  
[Without you] Oh, what would I do with the love I give  
[All my lovin'] To you I'll be giving  
And I promise, as long as I'm living I'm thinking of you and the things you do to me  
That make me love you, now I'm living in ecstasy  
I'm thinking of you and the things you do to me  
That make me love you, now I'm living in ecstasy
