Devil On Your Back

Kasey Chambers

Well, I don't know if it's in the Bible
You got a holy heart
There's a devil in the valley down below
And you keep falling back to the start

Hold your breath, somebody's coming
Hold your breath, somebody's here
Hold your breath, somebody's coming

There's the devil on your back, worry on your mind
Weight of the world on your shoulder
Don't look back, don't waste time
Everything's gonna be just fine

Well, I don't know if it's on the table
But I was once like you
I held my heart out upon my sleeve
And it came back broken in two

Hold your breath, somebody's coming
Hold your breath, somebody's here
Hold your breath, somebody's coming

There's the devil on your back, worry on your mind
Weight of the world on your shoulder
Don't look back, don't waste time
Everything is gonna be just fine, just fine, just fine, just fine

Hold your breath, somebody's coming
Hold your breath, somebody's here
Hold your breath, somebody's coming

There's the devil on your back, worry on your mind
Weight of the world on your shoulders
Don't look back, don't waste time
Everything is gonna be

There's the devil on your back, worry on your mind
Weight of the world on your shoulder
Don't look back, don't waste time

Everything's gonna be just fine, just fine, just fine
