

# Crashing Head On

## Vybz Kartel

(Verse 1)

I gave you everything thing thank you girl  
Donâ€™t know you no more your a stranger  
I never know you so ungrateful  
Never know you so ungrateful  
People get in your brain  
Wish you all the best take care of your self  
Who got to you, you really change  
Donâ€™t you see that your someone else

(Chorus)

Itâ€™s like crashing head on  
I donâ€™t really know if you love me  
Right there you straight offâ€ you lie to me  
Please girl just fâ€k off

Itâ€™s like crashing head on  
I donâ€™t really know if you love me  
Right there you straight offâ€ you lie to me  
Please girl just fâ€k off

(Verse 2)

Anything weh happen you did it to yo self  
You did it to yo self, you did it to yo self

Anything weh happen you did it to yo self  
You did it to yo self, you did it to yo self

Anything weh happen you did it to yo self  
You did it to yo self, you did it to yo self  
Anything weh happen you did it, you did it, you did it to your self

(Repeat Chorus)

(Repeat Verse 1)
