

# My People

## Erykah Badu

My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend I don't care, I swear, I'm too through with you, I am  
You don't mean nothing to me  
So go ahead and be with your friend My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend  
My eyes are green 'cause I eat a lot of vegetables  
It don't have nothing to do with your new friend I'm insecure but I can't help it  
My mind says move on, my heart lacks behind  
But I don't love you anymore  
I'm so insecure  
Never knew that love did this  
Ooh, ooh I can't remember the last time I felt this way about somebody  
You've done something to my mind and I can't control it  
But I don't love you any more, yes I do, I do  
Loving you is wrong baby, ooh, ooh La-di-da  
Dum-dee-da-da  
Dum-didi-da-da-da  
Dum-didi-da-dum-di I'm so confused, you tried to trick me, yeah  
Ooh, ooh, oh  
Never knew that love could hurt like this  
Never thought I would but I got dissed Makes me feel so sad and hurt inside  
Feel embarrassed so I want to hide  
Silly me I thought your love was true  
Change my name to Silly E. Badu  
Before I heal, it's gonna be a while  
I know it's gonna be a while, chil' I hope it's not too late  
Too late, too late, too late  
Feeling insecure  
Your love has got me sore  
I don't want no more  
Oh, oh It's too late, oh, oh, ooh, ooh  
I'm sorry I love you  
At first when you was cool

You told me you loved me too, ooh  
And then you lost your love  
And then you lost your love  
And then you lost your love You wanted me to go away but I can't go  
See I can't leave, it's too late  
I can't leave, it's too late  
I can't leave, it's too late  
I can't leave, it's too late Just make love to me  
Just one more time and then you'll see  
I can't believe I made a desperate plea  
Believe me yeah, yeah, no, oh You see I can't leave, it's too late  
I can't leave, it's too late  
Don't you know, I can't leave, it's too late  
Can't go no where, no  
It's too late, it's too late  
It's too late, it's too late Yeah, come on, babe  
Don't you want be strong with me?  
You told me we could have a family  
Want to run to me when you're down and low But times get tough and there you go  
Out the door, you wanna run again  
Open your arms and you'll come back in  
Wanna run 'cause you say you're afraid, afraid Never knew what a friendship  
Never knew how to really love  
You can't be what I need you to  
And I don't know what is up with you  
I know our love will never be the same  
But I can't stand the growing pains
