

# You Don't Know Me (Feat. Sisqo)

## Lovher

[Sisqo]

Chinky, buttah, kienji, serenade

Lovher

What you about to hear

Is something that you never heard before

So chinky show them how we do itA nigga just got paid it's friday night

All my wardes in the party and ya doin' it right

Give a pound to my niggas to my left and right

Cause my people came to party til the early light

Niggas all up in my face

Playa playa no time to waste

Playa playa put his hand on my waist

So I looked him straight dead in his face and said ah[chorus]

You don't know me

You don't really know me

You say I'm sexy

But you really wanna sex me

Would you like to see me on my back

Would you like to see me lick your neck

Or would you like to see me soakin' wet

Would you to hit it from the back

Or would you like it if I made you mine

Would you do it to me all the time

Would you like if it was only sex

I don't think you're ready for me yetMy name is buttah and that is serenade

Blonde chinky chinky and they call her ms. thang

Stick your eyes on my titties

Cause you know I got thumps

And you know that it's buttah baby

Best believe it

Playa playa pulled out tonight

Playa playa tried to blow on my spot

Playa playa wanna see what I got

Got tha money but you can't get the trust

Because'You don't know me

You don't really know me

You say I'm sexy

But you really wanna sex me

Would you like to see me on my back

Would you like to see me lick your neck  
Or would you like to see me soakin' wet  
Would you to hit it from the back  
Or would you like it if I made you mine  
Would you do it to me all the time  
Would you like if it was only sex  
I don't think you're ready for me yetFrom the top of the world  
Shit gotta let em know  
You ain't playin' no games  
Don't be coming like that  
Now it's time to show  
Chinky brown eyes, buttah  
Serenade, ms. thang  
Show em how we do  
Come on show em how we do  
UhYou don't know me  
You don't really know me  
You say I'm sexy  
But you really wanna sex me  
Would you like to see me on my back  
Would you like to see me lick your neck  
Or would you like to see me soakin' wet  
Would you to hit it from the back  
Or would you like it if I made you mine  
Would you do it to me all the time  
Would you like if it was only sex  
I don't think you're ready for me yetWhat you think you know me  
Then tell me what I'm thinkin' now  
What is it I do late at night  
Do I pretend like someone's between my thighs  
Will I be dreamin'of you at night  
Is that what you like  
Well what I wanna know is  
Can you love me  
I didn't think so
