

# 50 Ways to Say Goodbye

## Train

My heart is paralyzed  
My head was over sized  
I'll take the high road like I should  
You said it's meant to be  
That it's not you, it's me

You're leaving now for my own goodThat's cool, but if my friends ask where you are I'm gonna sayShe went down in an airplane

Fried getting suntan  
Fell in a cement mixer full of quicksand  
Help me, help me, I'm no good at goodbyes!

She met a shark under water  
Fell and no one caught her  
I returned everything I ever bought her  
Help me, help me, I'm all out of lies

And ways to say you diedMy pride still feels the sting  
You were my everything

Some day I'll find a love like yours (a love like yours)  
She'll think I'm Superman  
Not super minivan

How could you leave on Yom Kippur?That's cool, but if my friends ask where you are I'm gonna sayShe was caught in a mudslide

Eaten by a lion  
Got run over by a crappy purple Scion  
Help me, help me, I'm no good at goodbyes!

She dried up in the desert  
Drown in a hot tub

Danced to death at an east side night club  
Help me, help me, I'm all out of lies

And ways to say you diedI wanna live a thousand lives with you  
I wanna be the one you're dying to

Love, but you don't want toThat's cool, but if my friends ask where you are I'm gonna say
