Lost (feat. Redinho)

Rustie

You are my diamond in the rough
When the goin' gets tough, you're there
I'm never home, I'm always broke
But you make a place that I call home
And I'd be lost without you in my
I'd be lost without you in my
I'd be lost without you in my You are my diamond in the rough
When the goin' gets tough, you're there
I'm never home, I'm always broke
But you make a place that I call home
And I'd be lost without you in my
I'd be lost without you
So many ladies, they're lookin' lovely
But inside they're so ugly
And I admit I've made mistakes
I got caught up and I fucked with snakes
But I keep running back to you
Is this something that I have to do?
"Well you know I ain't mad at you"
That's what you said
I'd be lost without you in my You are my diamond in the rough
When the goin' gets tough, you're there
I'm never home, I'm always broke
But you make a place that I call home
And I'd be lost without you in my
I'd be lost without you in my
