

Portrait Of Love

Cheri Dennis

See you at the corner, corner of my eye
When you walking by, I get an appetite
Wanna take your picture, won't you shot the post
Turning them to up, just wanna let you know
I think you're sexy, baby
Won't you let me paint the perfect picture of us?
It's so electric
(Yeah)

Something classic, make it everlastin'
It's gonna be incredible, priceless, it can't be sold
Gonna see the portrait of love
(Love, love, love)
This ain't the Mona Lisa
No Michael Angelo picture
Gonna see the portrait of love
(Love, love, love)
This ain't no history sculpture
Just a love getting closer
(Yeah)

No need to be scared
It's not unusual to want somebody more than physically
Oh, no, you gotta play it fair
I promise that I'll be the only one
To blow your mind and get you there
I think you're sexy, baby
Won't you let me paint the perfect picture of us?
It's so electric
(Yeah)

Something classic, make it everlastin'
It's gonna be incredible, priceless, it can't be sold
Gonna see the portrait of love
(Love, love, love)
This ain't the Mona Lisa
No Michael Angelo picture
Gonna see the portrait of love
(Love, love, love)
This ain't no history sculpture
Just a love getting closer
(Yeah)

Gonna see the portrait of love
(Love, love, love)
This ain't the Mona Lisa
No Michael Angelo picture
Gonna see the portrait of love
(Love, love, love)
This ain't no history sculpture
Just a love getting closer
(Yeah)
What's the color of love?
Is it red or is it blue?
The creation of love
Beautiful and simply true
(You, you, you)
Gonna see the portrait of love
(Love, love, love)
This ain't the Mona Lisa
No Michael Angelo picture
Gonna see the portrait of love
(Love, love, love)
This ain't no history sculpture
Just a love getting closer
(Yeah)
Gonna see the portrait of love
(Love, love, love)
This ain't the Mona Lisa
No Michael Angelo picture
Gonna see the portrait of love
(Love, love, love)
This ain't no history sculpture
Just a love getting closer
(Yeah)
No need to be scared
It's not unusual to want somebody more than physically
Oh, no
