

A Little Bluer Than That

[Alan Jackson](#)

Well, tonight if you turn your radio on
You might hear a sad, sad song
About someone who lost everything they hadIt may sound like me
But I'm a little bluer than thatWhen you look out in the morning, you might see
Clouds rolling by like memories
And a big old sky above you lookin' backYou may think of me
But I'm a little bluer than thatWhere did we go wrong? I wish I knew
It haunts me all the time
Now wherever I go and whatever I do
You're always on my mindI can picture you in his arms tonight
As for me, it don't feel right
To let us fade like some old photographIt may work for you
But I'm a little bluer than thatWhere did we go wrong? I wish I knew
It haunts me all the time
Now wherever I go and whatever I do
You're always on my mindSo tonight if you turn your radio on
You might hear a sad, sad song
About someone who lost everything they hadIt may sound like me
But I'm a little bluer than thatYou may think of me
But I'm a little bluer than that
