

# Dream River

## The Mavericks

Floating down the dream river  
With the moon and stars above  
Maybe they can help me find a way  
To have your whole love Sleeping in the darkest room  
Dreaming you are in my arms  
Oh, how I wish my dream comes true  
With all my heart Don't want this night to end  
Don't wanna live without you Floating down the dream river  
With you by my side  
I know it's make-believe  
But please don't wake me, I don't mind Don't want this night to end  
Don't wanna live without you Floating down the dream river  
With you by my side  
I know it's make-believe  
But please don't wake me, I don't mind I know it's make-believe  
But please don't wake me, I don't mind
