

Show Me (feat. Ying Yang Twins)

Sammie

Mami you remind me of something
But I don't know what it is (I don't know)
Cause you remind me of something
girl, you gotta show me (alright)
you remind me of something
But I don't know what it is right now (I don't know)
Cause you remind me of something
Girl, you gotta show me Uh, on the real no lie
I don't know what it is but you just my type
Everything just right
B set put it to the left
Don't listen to the hype though
Got a cup in your hand
