

# One Little Victory

## Rush

A certain measure of innocence  
Willing to appear naive  
A certain degree of imagination  
A measure of make-believe A certain degree of surrender  
To the forces of light and heat  
A shot of satisfaction  
In a willingness to risk defeat Celebrate the moment  
As it turns into one more  
Another chance at victory  
Another chance to score The measure of the moment  
Is a difference of degrees  
Just one little victory  
A spirit breaking free One little victory  
The greatest act can be  
One little victory A certain measure of righteousness  
A certain amount of force  
A certain degree of determination  
Daring on a different course A certain amount of resistance  
To the forces of the light and love  
A certain measure of tolerance  
A willingness to rise above One little victory  
One little victory  
One little victory  
One little victory Celebrate the moment  
As it turns into one more  
Another chance at victory  
Another chance to score The measure of the moment  
Is a difference of degrees  
Just one little victory  
A spirit breaking free The greatest act can be  
One little victory  
The greatest act can be  
One little victory One little victory  
One little victory  
One little victory  
One little victory Just one little victory  
Just one little victory  
One little victory  
One little victory
