

# D.O.A.

## Coroner

I won't go till the sun lights the night  
And the moon is melting my skin  
Water turns to fire  
And flames are freezing to ice

I won't go till I've tasted dark wine  
Made out of deepest sorrow  
Absorbing winds of suffering  
On fields of blood and tears

Pictures move fast, the end in sight  
But I will break, the laws of time

I won't go till I've immersed myself  
On the trail of mystery  
Searching for the sacred two headed worm  
Who crawls down my soul
