

# All About Tonight

Shelton, Blake

Don't bother telling me what I got coming in the morning  
I already know  
I got some feelgood pills and a red Gatorade by my bed  
Ready to go  
I'm gonna do my best to dance with every girl in this bar  
Before they shut it down  
Then I'll pay my tab, climb in a cab  
Headin' to a spot downtown  
It's all about tonight  
Good times, and the music and laughing, and grooving to the band  
Everybody's getting right  
No worries, we're rocking all kinds of concoctions in our hands  
Yeah, tomorrow can wait 'til tomorrow  
It's all about tonight  
Hey pretty thing  
I've been looking at you since the moment that you walked in  
I got some wild-ass buddies that love spending money  
And I see you brought a couple of friends  
Just tell me your name  
I don't need your number or a date next Saturday  
Baby, let's act like fools, break a few rules  
Party the night away  
It's all about tonight  
Good times, and the music and laughing, and grooving to the band  
Everybody's getting right  
No worries, we're rocking all kinds of concoctions in our hands  
Yeah, tomorrow can wait 'til tomorrow  
It's all about tonight  
Haha, slide  
It's all about tonight  
Good times, and the music and laughing, and grooving to the band  
Everybody's getting right  
No worries, we're rocking all kinds of concoctions in our hands  
Yeah, tomorrow can wait 'til tomorrow  
I said tomorrow can wait 'til tomorrow  
It's all about tonight  
Yeah, it's all about tonight  
Come on, it's all about tonight  
We're gonna get our swerve on, a buzz on

It's all about tonight  
Come on, baby, I wouldn't worry about that  
It's all about tonight
