Flushed

Dogs On Acid

Oh, Yoko, you're breaking up my heart
Had it frayed at the start
And now you own my sweater
Cold turkey, you've got me on the run
If I can't have you, I can't have no funMy bones get crushed
And I'm flushedHey, Jude, you're messing up my mood
I've tried it all, there's nothing I can do
I can't sit still, I can't sleep
And in the morning when I do you creep inMy bones get crushed
And I'm flushedIf you quit the band, I quit too
There's nothing more worthwhile than writing songs with you
My bones get crushed
And I'm flushed
