

# Elephant (ft. Erick Morillo)

Alexandra Burke

You wanna talk, do you wanna talk about it,  
Wanna talk, do you wanna talk about it,  
Eh, eh, eh  
You wanna talk, do you wanna talk about it,  
Wanna talk, do you wanna talk about it,  
Eh, eh, ehHow you doing? How was your day?  
Small talk, small talk, you wanna play?  
You getting further, further away,  
No kiss No hug Just blankAnd I just can't figure out,  
How it all turned upside down  
And when I look at you right now, it's strange 'causeI know something's going on  
That's going on with you  
I think you should tell me  
You got nothing left to loseAh, there's an elephant, standing in the room  
Ah, though we're all alone,  
It's not just me and youYou wanna talk, do you wanna talk about it  
Wanna talk, do you wanna talk about it (eh, eh, eh)  
You wanna talk, you wanna talk about it  
There's an elephant in the roomOh, you wanna, wanna explain  
Well your talk is cheap cheap just saying  
You say you're sorry, say you're to blame,  
And you're promising, you swear you'll changeAnd I just can't figure out,  
How it all turned upside down  
And when I look at you right now, it's strange 'causeI know something's going on  
That's going on with you  
I think you should tell me  
You got nothing left to loseAh, there's an elephant standing in the room  
Ah, though we're all alone,  
It's not just me and youYou wanna talk, you wanna talk about it  
Wanna talk, you wanna talk about it (eh, eh, eh)  
You wanna talk, you wanna talk about it  
There's an elephant in the roomAnd it's crushing me, there's no room to breathe  
Got me backed against the wall, like that  
And I just can't see, 'cause it's blinding me  
Coming closer, I can't relax(oh, ah)You wanna talk, do you wanna talk about it  
Wanna talk, do you wanna talk about it (eh, eh, eh)  
You wanna talk, do you wanna talk about it  
Wanna talk, do you wanna talk about it (eh, eh, eh)

There's an elephant in the room
