Late Again

Stealers Wheel

Late again when I get home
You be waiting still you know
There ain't no use in you complainingI know that I can show some respect
Especially when I am wrong
But when I get back I know you say
"You've been away too long"Ooh, I wonder why I stay
When everybody's gone
There's always something there
That keeps me hanging on, onOoh, I wonder why, I stay
When everybody's gone away
There's always something there
That keeps me hanging on, on
