

# College Girl

## Bobby Brown

Lady, please tell me  
How you really feel  
Deep inside your heart?  
I hope that it's for real  
I feel lonely  
Do you wish that I was there?  
There right by your side  
Showing you I careCollege Girl  
Won't you come over tonight  
I want to make love to you  
College Girl  
I can make it feel alrightLately I've been thinkin'  
'Bout how we use to be  
Something about your love  
That makes my life complete  
I've never met a girl  
Can make me feel the way you do?  
Girl, won't you come over  
So I can do the things I wanna doCollege Girl  
Won't you come over tonight  
I want to make love to you  
College Girl  
I can make it feel alright, yeahCollege Girl  
Won't you come over tonight  
I want to make love to you  
College Girl  
I can make it feel alrightCollege girl, please let me know the deal  
If you're for real about the loveCollege Girl  
Won't you come over tonight?  
I want to make love to you  
College Girl  
I can make it feel alrightCollege Girl  
Won't you come over tonight?  
I want to make love to you  
College Girl  
I can make it feel alrightCollege Girl  
Won't you come over tonight?  
I want to make love to you
