

Don't Make Waves

The Byrds

If you're looking to get a good thing going for yourself
House and pool, a new Rolls Royce and some degree of wealth
Don't make waves, don't make waves, don't make waves
Take a ride out West to find that freedom that you
crave
Kick that nine to five, don't let them make you a slave
Don't make waves, don't make waves, don't make waves
And when the toys that you dreamed of have finally
come
They all will break and you're back where you started from
Now that blue is calling you with days and nights so
warm
You can find excitement any size, shape or form
Don't make waves, don't make waves, don't make waves
