Have You Ever Been In Love?

Peter Cetera

In the morning light half awake and half asleep
Have you ever laid there thinking was it all a dream?
But you reach out and she's there every moment, everywhere
Have you ever been in love?
Have you ever felt how far a heart can fall
Have you ever stayed up waiting for a telephone call?
Just to hear her say, "Hello" 'cause you miss each other so
Have you ever been in love?
Have there been times to laugh and times you really want to cry?
Finding reasons to believe her 'cause you'd die a little if she lied
And when in times of doubt, have you ever tried to work it out?
But still she leaves you wondering what it's all about
And when she's far away have you ever felt the need to stray
Tried and then discovered it just doesn't pay
'Cause with her, you can be true and with her, you can be you
Have you ever been in love?
Have there been times to laugh and times you really want to cry?
Finding reasons to believe her 'cause you'd die a little if she lied
And when in times of doubt, have you ever tried to work it out?
But still she leaves you wondering what it's all about
And when the night comes down can you call your house a home?
Do you dream you're still together and wake up alone?
Have you ever been in love the way that I'm in love?
Have you ever been in love?
